SHINY WELCOME FOR BRIGHT FUTURE...

Beginning is always vital. "GYANESH TUTORIALS" took it's first step in 2004 as private group tutions. To turn students talent into results was and is our biggest motivation. Since 2004, "GYANESH TUTORIALS" has been taking single step everyday towards one goal. " Making learning a joy ride and bringing the best out of every student."

KNOW THE PIONEER

Gyanesh sir, pioneer of "GYANESH TUTORIALS" and the only person to understand the need of the hour. With his vision and perspective and rich experience he had already guided scores of students towards their goals. He understood the problems of students and parents very well. With the commitment to provide quality education Gyanesh sir started "GYANESH TUTORIALS". He believes in 3 D's of success, DEDICATION, DETERMINATION & DEVOTION. Since last Eleven years Gyanesh sir and his team has been untiringly improving the results of students year after year.

VISION FOR FUTURE

A small step started as an idea, now gained momentum. With our vision to propel every student on a success path, we are bound to become leaders in education. No doubt there is no alternative for hard work, but our teaching plays very important role in preparation of board / entrance examination for your bright success. You get all subjects under one roof with different professors, expert in their respective subject.

Founder

Dear Students,

I believe that people who have positive attitude, dedication towards profession, strong will power and clear concepts in mind can always make their room at the top. A little steps we take everyday ensures where we shall reach. Have faith in yourself, Dream Higher & Keep working till you reach where you aimed for. See you in the class Gyanesh
